**INTRODUCTION**

1. This is a Complaint for injunctive relief and for civil damages. The Complaint herein states a claim for Copyright Infringement pursuant to 17 U.S.C. § 101 *et seq.* by and through Defendants' unlawful copying, reproduction, manufacture, distribution, sale and use of Plaintiff's copyrighted material in Defendants' products which they market and sell to the public.

**PARTIES**

2. Plaintiff Brian Methe is an individual and natural person who resides in Cincinnati, Hamilton County, Ohio.

3. Defendant Amazon.com.dedc, LLC is a limited liability company organized under the laws of the State of Delaware and doing business in Hamilton County, Ohio.

4. Defendant Apple Computer Inc. is a corporation incorporated in the State of California and doing business in Hamilton County, Ohio.

5. Defendant Fruit of the Loom Licensing, Inc. is a corporation incorporated in the State of New York and doing business in Hamilton County, Ohio.

6. Defendant Webintellics, Inc. is a corporation incorporated in the State of New Jersey and doing business in Hamilton County, Ohio.

7. Defendant RIPT Apparel, LLC is a limited liability company organized under the laws of the State of Iowa and doing business in Hamilton County, Ohio.

8. Defendant Redbubble Inc. is a corporation incorporated in the State of Delaware and doing business in Hamilton County, Ohio.

9. Defendant ooShirts Inc. is a corporation incorporated in the State of California and doing business in Hamilton County, Ohio under the name “teechip.com.”

10. Defendants John Does Numbers 1 through 99 are fictitious names for Defendant persons or business entities which have reproduced, manufactured, imported, copied, distributed, displayed and sold the infringing goods, merchandise and materials which are the subject of the Complaint herein for or on behalf of the Defendants named at numerical paragraphs 3 through 9 above, or in concert or privity with them, including said Defendants’ manufacturers, importers, exporters, distributors, exhibitors, and vendors, and for Defendant persons, including corporate officers, directors, managers, operators, representatives, and agents, or business entities having the right to supervise the infringing activities and a financial interest therein. The true identities of these Defendants are yet unknown to Plaintiff.

11. At all times relevant herein, Defendants were variously engaged in the business of manufacturing, publishing, marketing, promoting, distributing, displaying, and selling, among other things, goods, merchandise, and materials embodying and otherwise incorporating the infringing work which is the subject of this lawsuit.

### **JURISDICTION AND VENUE**

12. This Court has jurisdiction over this controversy pursuant to 28 U.S.C. § 1338 and 17 U.S.C. § 101 *et seq.* as the Complaint alleges a violation of federal Copyright Law.

13. Venue in the Southern District of Ohio is proper under 28 U.S.C. § 1391(b)(2) and (3), because a substantial part of the events giving rise to the claim herein took place within the Southern District of Ohio, a fact sufficient to confer jurisdiction under Ohio's Long-Arm Statute, ORC 2307.382. Defendants transact business in Ohio and/or willfully infringed Plaintiff's copyright, knowing Plaintiff resided within Ohio.

### **FACTUAL BACKGROUND**

14. At all times relevant herein, Plaintiff was variously engaged in the business of creating, manufacturing, marketing, distributing, and selling works of visual art.

15. Prior to October 15, 2013, Plaintiff created an original pictorial and/or graphic work of authorship, titled "Duder of Thrones" which is a two dimensional work of visual art depicting a character resembling "The Dude" from "The Big Lebowski" sitting on a throne of bowling pins (Hereafter referred to as "Plaintiff's Work").

16. A true and accurate copy of Plaintiff's Work is attached hereto as Exhibit "A."

17. Plaintiff's Work was first published in or around October 15, 2013. Plaintiff published Plaintiff's Work in the larger work "Crazy 4 Cult: Cult Movie Art 2" (Hereafter referred to as "Plaintiff's Collection").

18. Plaintiff's Work and Plaintiff's Collection have been available for sale and/or viewing on Plaintiff's website and other internet locations since October 15, 2013.

19. Defendants have been copying, reproducing, manufacturing, importing, distributing, displaying, marketing and/or selling merchandise depicting substantially similar pictorial and/or graphic designs to the protected Plaintiff's Work referenced above, printouts of which are incorporated herein by reference as Exhibit "B." (The items in Exhibit "B" are referenced collectively herein as the "Infringing Merchandise.")

20. Plaintiff has been and is the author and sole proprietor of all right, title, and interest, including copyright, in and to Plaintiff's Work.

21. On August 12, 2016, Plaintiff registered his copyright of Plaintiff's Work and Plaintiff's Collection. The Registration number is VA 2-016-306. A copy of the Registration Certificate is attached hereto and incorporated herein by reference as Exhibit "C."

22. Defendants individually, or by and through their agents, employees, and representative, with notice of Plaintiff's right, title, and interest in and to Plaintiff's Work, and without Plaintiff's authorization, have used Plaintiff's Work to manufacture, reproduce, copy, publish, display, distribute, transmit, sell, and otherwise market their Infringing Merchandise.

23. Upon information and belief, Defendants willfully and deliberately infringed said Plaintiff's copyright by copying Plaintiff's Work, and manufacturing, reproducing, importing, publishing, displaying, distributing, transmitting, selling, or otherwise placing on the market Defendants' Infringing Merchandise and, thus, using Plaintiff's Work without authorization, all to Plaintiff's detriment.

24. Upon information and belief, Defendants have manufactured, reproduced, imported, published, displayed, distributed, transmitted, marketed, promoted, and sold the Infringing Merchandise and will, unless restrained, continue to do so in the future.

25. Defendants' infringement of Plaintiff's copyright has caused and will continue to cause immediate and irreparable harm to Plaintiff unless enjoined by this Court.

#### **COUNT I: COPYRIGHT INFRINGEMENT**

26. Plaintiff has been and is the sole proprietor of all right, title and interest in and to Plaintiff's Work.

27. Plaintiff's Work is an original work of authorship, and Plaintiff has the exclusive right to reproduce, create derivative works, sell, and display Plaintiff's Work.

28. Defendants individually, or by and through their agents, employees and representatives, with notice of Plaintiff's right, title and interest in and to Plaintiff's Work, and without Plaintiff's authorization, have manufactured, reproduced, created derivative works from, copied, published, displayed, distributed, transmitted, imported, exported, and sold Plaintiff's Work.

29. The acts of Defendants constitute infringement of Plaintiff's registered copyright and exclusive right under copyright in violation of 17 USC § 106 and § 501.

30. Plaintiff was injured as a result of Defendants' actions and suffered actual damages as a result of Defendants' actions.

31. Upon information and belief, Defendants willfully and deliberately infringed Plaintiff's copyright by copying Plaintiff's Work, and manufacturing, reproducing, importing, publishing, displaying, distributing, transmitting, selling or otherwise placing on the market Defendants' Infringing Merchandise and, thus, using Plaintiff's Work without authorization, all to Plaintiff's detriment.

32. Plaintiff was injured as a result of Defendants' actions and is entitled to statutory damages under 17 USC § 504(c)(1) at Plaintiff's election.

33. Plaintiff was injured as a result of the Defendants' willful and deliberate actions and is therefore entitled to increased statutory damages under 17 USC § 504(c)(2).

34. Plaintiff is further entitled to payment of attorney's fees and costs pursuant to 17 USC § 505.

35. Defendants' infringement of Plaintiff's copyright has caused and will continue to cause immediate and irreparable harm to Plaintiff unless enjoined by this Court.

**JURY DEMAND**

36. Plaintiff hereby demands a trial by jury of all issues triable by jury.

**PRAYER FOR RELIEF**

WHEREFORE, Plaintiff respectfully requests the following relief:

- A. A declaration from this Court that Defendants infringed Plaintiff's copyright;
- B. A temporary restraining order and permanent injunction restraining Defendants, their agents, servants, employees, successors, assigns, and all others in concert or privity with them from infringing Plaintiff's Work, and from manufacturing, reproducing, importing, publishing, displaying, distributing, transmitting, selling, or otherwise placing on the market Defendants' Infringing Merchandise and, thus, using Plaintiff's copyrighted Work without authorization;
- C. That Defendants be required to account to Plaintiff for Defendants' profits and the actual damages suffered by Plaintiff as a result of Defendants' infringement;
- D. That Defendants be ordered to surrender to Plaintiff all property, tangible and intangible including, but not limited to all goods, merchandise and materials which infringe upon Plaintiff's copyrighted Works and all tooling, templates, patterns, or other means and media used by Defendants to copy, manufacture, reproduce, publish, display, distribute, transmit, market, promote, and sell Defendants' Infringing Merchandise;
- E. That Plaintiff be awarded actual damages and profits or statutory damages against Defendants, subject to Plaintiff's election with respect thereto;

F. That Defendants be compelled to pay Plaintiff's attorney fees and costs in connection with this action pursuant to 17 USC § 505;

G. Leave to amend his Complaint to add additional parties as their identities are revealed; and

H. For all other and further relief to which Plaintiff may otherwise be entitled.

Respectfully submitted,
